

## DIVI AMBIENT Specifications & Features Models FC05, FC06

The **DIVI AMBIENT** is the 6th generation robotic retail machine in a successful line of Fastcorp machines. The DIVI delivers more versatility, reliability and energy efficient performance than its predecessors. With a redesigned open truss robot and centrifugal vacuum system this machine has the strength, airflow, and power to reliably vend virtually any\* product. The DIVI also adds updated aesthetics to the cabinet to round out the new look. Fastcorp is proud to say that the DIVI is the best machine we've created. We stand behind it with a 5 year warranty and a 2 year warranty on the freezer.

### GENERAL SPECIFICATIONS

DIVI Models	FC05, FC06
Usage – Domestic North America	115V
Usage - International	220V
Height	72.5", 1842mm
Width	41", 1042mm
Depth	37", 9140m
Net-Weight	544#, 247 kg
Gross-Weight	625#, 284 kg
Net-Volume	Two 5.3CF, 150L product bins
Energy consumption per 24h - Domestic	
Energy consumption per 24 hr - International	
Nominal current	6.6A ?
Fuse protection	8A slow blow
Lighting	LED
Nominal voltage frequency	50 & 60Hz versions
Nominal consumption during run	770 Watts (while dispensing - vacuum on)
Nominal consumption	65 Watts (without dispensing)
Noise level	49dB, 64dB(A) with vacuum running
CE Certification	Certified to CE Std.
UL Rated	Conforms to UL Std. 541
Warranty	5 year limited parts

### FEATURES:

#### General

- Durable heavy steel construction
- Vends a variety of product types
- Selection capabilities varies based on added technologies
- Over-sized product delivery chute - handles very large product sizes
- \*Vends up to 2 lbs in stock configuration, 4 lbs with special picker tip
- Quick/easy-loading bin system accommodates FIFO inventory (first-in/ first-out)
- High capacity
- Custom branding capabilities
- High-impact merchandising and aesthetics
- LED lighting
- ETL listed for Indoor & outdoor use

#### VMC Computer

- Menu-driven programming
- Guaranteed product delivery
- DEX audit functions
- MDB compliant
- Card reader & cashless system compatible
- Remote monitoring capabilities
- Programmable soft-drop & multi-vend options
- Flash memory card port (software upgrades & save programming data)

#### Robotics

- Best-in-class vending versatility - vends all shapes, sizes, and most packaging.
- Robotic simplicity allows for minimal number of parts and motors
- No moving parts in the freezer or refrigerator- increases reliability
- Modular SCARA robot design
- Novel robotic entertainment captures impulse sales
- Simple programming- position robot manually and save
- Theatre effect- novel robotic entertainment through window
- Hi-tech robotic vacuum delivery system
